

**All of Us** | The Future of Health Begins With You  
**RESEARCH PROGRAM**

All of Us Research Program e-Newsletter

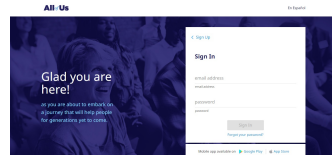

**Looking for volunteers**

Henry Ford's *All of Us* Research Program is looking for participants to launch a local Advisory Council. This group of current participants will meet quarterly and advise our research staff on marketing materials, research ideas, special event planning and the best ways to keep people informed about the *All of Us* Program accomplishments.

If you would like to help us improve the Future of Health, [apply online today](#) through the Patient Advisor Application. Be sure to select "**All of Us Advisory Council**" on the form or call [313-874-6703](tel:313-874-6703).

**Have you checked your All of Us account?**

New surveys are automatically added to your *All of Us* Account through your portal. These surveys will cover many topics including questions about you, your work, and your home life. This is to better understand how they may affect health. Typically these questions only take 10 to 15 minutes of your time. There are no right or wrong answers to any of the questions. You can check your account for new surveys by logging into the All of Us portal today, or downloading the All of Us app on your smartphone.
